PRESS ADVISORY

Teal Ribbon Denim Day to raise awareness and funds for ovarian cancer research!

Join us by wearing denim and showing your support
for ovarian cancer research!

Did you know…?

…Ovarian cancer is the leading cause of death amongst gynecologic cancers.
…1 in 58 women will develop ovarian cancer.
…Breast Cancer survivors are 4 times greater at risk
…Ovarian Cancer is difficult to diagnose & there is no reliable screening test.
…22,000 will be diagnosed this year & 15,000 will die.

Early detection is key to saving lives!

5-year survival rate is over 90% when ovarian cancer is diagnosed early.

We ask you to join us on behalf of your mother, your wife, your daughter, your grandchild, your friend…yourself!

Participants are encouraged to wear denim in exchange for a $5 donation to the Teal Ribbon Ovarian Cancer Research Foundation, Inc. to advance ovarian cancer research towards a cure; advocating for early diagnostic treatment programs and to improve the lives of ovarian cancer survivors.

The $5 you might normally have spent on lunch will make a difference for all women.

You can't put a dollar amount on finding a cure for cancer.

Saving lives is priceless!

Join us….Together we can make a difference!
