

**Teal Ribbon Ovarian Cancer Research Foundation. Inc.
Ovarian Cancer Research Grant Funding**

The Teal Ribbon Ovarian Cancer Research Foundation, Inc. (TROCRF) provides the opportunity for awards for early detection and treatment for ovarian cancer.

Eligibility

Ovarian Cancer research proposals may be individual projects or part of a larger research project. All research proposals will be considered, however, special consideration will be given to proposals dealing with early detection and treatment.

Selection

Recommendation of award recipients will be made by TROCRF Board Members and TROCRF foundation members. The recommendations will be discussed and voted on by the TROCRF Board of Directors. The Board of Directors reserves the right to give smaller awards than requested to multiple recipients.

Submission

June 15, 2009 Deadline for submission. All proposals must be post marked June 15, 2009.

July 31, 2009 Notification of action by TROCRF.

Application requirements

Proposals shall include the following:

- Abstract of proposed research –rationale of the study, aims, and a brief overview of research design and methods.
- Research Proposal should not exceed 6 pages. Additional supporting information may be provided in addendum form if deemed essential.
- Budget – detailing direct cost expenditures. No miscellaneous costs shall be included. All costs must be itemized. TROCRF funds cannot be used for indirect costs or travel.
- Curriculum Vitae – including education, honors, professional experience, publications, grants.
- Letter of Recommendation – from the relevant person overseeing the institution, department, or lab where the research will be conducted.
- Project Timeline – detailing the expected chronological progress of research goals.
- Review of similar studies – discussing what other similar studies are underway or pending which might influence subject accrual.

All proposals must be post marked by June 15, 2008.

Send 6 copies of each proposal to:
